ABOUT ME

I am currently working at Amazon as Operations Intern. Recently, I have completed a Master of Production System Engineering from RWTH University (Germany) and Master of Management and Manufacturing Engineering from Wrocław University of Science and Technology (Poland).

Double Master Degree was possible due to participation in T.I.M.E (Top International Managers in Engineering) Program. I graduated with an Engineer Degree in Mechatronics at Mechanical Faculty. As part of student exchange, I also studied Mechanical Engineering at the Finland's Lappeenranta Saimaa University of Applied Sciences.

I am an ambitious and responsible person. My analytical skills and experience allow me for effective project management as well as productive work in a team.

MY SPECIALITIES

SKILLS

01 Professional

Amazon QuickSight
Analytical skills
Project management
MS Office
Technical documentation
Solid Edge
AutoCAD
Creo
SolidWORKS
Siemens NX 11
Autodesk Inventor
MATLAB
3D modeling
FluidSIM
PLC

02 Personal

Creative spirit
Organized
Motivated
Professional
Flexible
Fast Learner
Team Player

LANGUAGE SKILLS

EDUCATION

- From September 2019 - May 2021
Production Systems Engineering – Maschinenbau
RWTH Aachen University, Faculty of Mechanical Engineering
Aachen, Germany
- From February 2019 - February 2021
Management and Manufacturing Engineering (specialization: Production Management)
Wrocław University of Science and Technology, Faculty of Mechanical Engineering
Wrocław, Poland
- From October 2015 - February 2019
Mechatronics
Wrocław University of Science and Technology, Faculty of Mechanical Engineering
Wrocław, Poland
- From September 2016 to January 2017
Mechanical Engineering
Saimaa University of Applied Sciences
Lappeenranta, Finland

WORK EXPERIENCE

- 1 July 2018 to September 2018
Intern at the Production
Automation Division
Toyota Motor
Manufacturing Poland
- 2 December 2018 till
September 2019
Intern at the Production
Process Engineering Team
WABCO Poland
- 3 From January 2021 to now
Operations Intern
at Amazon
Amazon Fulfillment Poland

TRAINING & ORGANIZATIONS

- CaseWeek**
A series of workshops organized at the Wrocław University of Technology in cooperation with companies from the tech industry. Workshops related to the control and automation of industrial machines and production lines.
Wrocław, Poland
- Geek Girls Carrots**
Organization operating in Poland, which runs numerous trainings, discussions and lectures related to IT and broadly New Tech industry - especially about women in this industry.
Wrocław, Poland
